**STATEMENT OF AFFIRMATION**

**PRODUCT CONFORMANCE TO THE 2026 FLORIDA BUILDING CODE (9TH EDITION)**

October 8, 2026

To Whom It May Concern:

This letter serves to document that I have reviewed Florida Product Approval File No. **FL47679**, and the product evaluation documentation which forms the basis thereof, with respect to the **2026 Florida Building Code (9th Edition)** sections set forth in engineering evaluation report.

There are no changes to the Code that affect the engineering evaluation report, and I have authorized the applicant to document compliance with the **2026 Florida Building Code (9th Edition)** through the Affirmation Process.

This product also complies with **Section 1711 of 2026 Florida Building Code (9th Edition).** All components of the product meet the relevant corrosion resistance requirements for saltwater environments as described in this section.

This product is manufactured under a quality assurance program currently approved by the Florida Building Commission.

Please note that I do not have, nor will I acquire, a financial interest in any company manufacturing or distributing the product(s) for which the reports are being issued.

I also do not have, nor will I acquire, any financial interest with the Laboratory that performed the test(s), or with the Engineer witnessing the test(s) and sealing the test report(s).

If you have any questions or require additional information, please feel free to contact me.

Respectfully Submitted,
