REVIEW AND RECOMMENDATION BY LOCAL BUILDING DEPARTMENT.

Please state why the issue is being referred to the Florida Building Commission as well as a recommendation for disposition. The Building Official or his or her designee should review the application and indicate that to the best of his or her knowledge, all information stipulated herein is true and accurate. Further, if this project is complete, explain why it is being referred to the Commission. The Building Official or his or her designee should sign a copy of the plans accompanying this application as certification that such plans are the same as those submitted for building department review. Please reference the applicable section of the Accessibility Code.

a. Florida Accessibility Code – Building Construction 2010, Section 201.1.1 – Vertical Accessibility and Florida Statutes 553.501-553.513

Has there been any permitted construction activity on this building during the past three years? If so, what was the cost of construction?

[X] Yes Based upon documentation provided by Architect of Record 11/04/14 the total Phase I/Phase II project cost was \$687,724

Comments: Previous alterations and addition included construction and installation of a 3 story vertical shaft, elevator and elevator lobby. At this time the proposed altered area can be made accessible from a new accessible parking space.

Jurisdiction: City of Tallahassee
