1. Opening

Welcome and meeting objectives. Approval of agenda and approval of minutes from October 12, 2003 meeting.

2. Discuss an Update on the Manufactured Buildings Program Workshop

3. Review and Discuss Issues for the Prototype Buildings Program

4. Review and Discuss Issues for the Product Approval Program

- Applications for entity approval
- Applications for product approval
- Review a Request for Declaratory Statement DCA03-DEC-296
- Review a Request for Declaratory Statement DCA03-DEC-29
- Review a Request for Declaratory Statement DCA03-DEC-300
- Discuss November 5, workshop in Miami regarding approval process for roll form roofing machines, materials and products, and other metal extrusions
- At the suggestion of industry representatives and building officials, discuss product approval process using certification as a compliance option. The product approval application process currently has no provision for the following:
 - No installation documents required to be attached; (*NOTE: This is also the case with the evaluation report option*)
 - No technical documents required to be attached; and
 - No verification by the certification agency that the applicant is indeed listed.

5. Adjourn

Note: This document is available to any person requiring materials in alternate formats upon request. Contact the Department of Community Affairs, Codes & Standards, 2555 Shumard Oak Blvd., Tallahassee, Florida 32399-2100 or call (850) 487-1824.
