The department may not limit the number of business organizations that the licensee may qualify except upon the licensee’s failure to provide such information as is required under this subsection or upon a finding that the information or evidence supplied is incomplete or unpersuasive in showing the licensee’s capacity and intent to comply with the requirements of this subsection. A qualification for an additional business organization may be revoked or suspended upon a finding by the department that the licensee has failed in the licensee’s responsibility to adequately supervise the operations of the business organization. Failure to adequately supervise the operations of a business organization shall be grounds for denial to qualify additional business organizations.
