To whom it may concern:

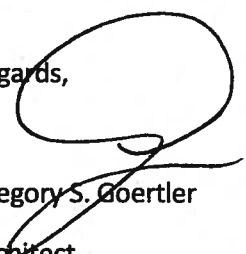

It is my professional opinion that a waiver should be granted for the elevator requirements at the project at 808 Wiggins Pass Rd, Naples, FL 34110 permit# PRBD2017114310501. The addition of an elevator would be a significant financial burden.

This building meets ADA guidelines as designed and submitted and has also recieved the approval from the Collier County Growth Management department for the Waiver of the Elevator requirement.

We respectfully request that the Florida Vertical Accessibility requirements be waived down to the ADA standards for accessible Design, thus, waiving the requirement for the elevator.
