Welcome:

Time: 9:00 am

Ms. Peters welcomed everyone to the concurrent teleconference call of the Fire TAC. She provided information for the callers on how to mute systems to avoid background noise.

Roll Call:

Ms. Peters performed roll call for the Fire TAC. A quorum was determined with 8 members present.

Agenda Approval:

Mr. Schiffer entered a motion to approve the agenda for today's meeting as posted. Mr. Hamberger seconded the motion. The motion passed unanimously with a vote of 8 to 0.

To review and accept draft final report for research project titled "Evaluating the Economic Impacts of the Legislatively Delayed Provisions of the 5th Edition (2014) Florida Building Code:

- **A second fire service access elevator as contained in Section 403.6.1 of the Florida Building Code, 5th Edition (2014) Building Volume**
[Draft Final Report](#)

Mr. Madani gave a brief overview of the project as listed and advised that Mr. Vieira will be giving a power point presentation of the draft final report.

Mr. Madani turned the meeting over to Mr. Vieira for the presentation.

Mr. Vieira introduced the report and provided a power point presentation to the audience with full detail of the research project.

Public Comments:

There was discussion from the public regarding retrofit costs and stretcher sizing.

There was no TAC comment.

Mr. Schiffer entered a motion to accept the report as presented. Mr. Carrier seconded the motion. The motion passed unanimously with a vote of 8 to 0.

Recommend and discuss potential research topics for consideration by the Building Commission.

Mr. Bahadori asked for the deadline to make recommendations.

Mr. Madani stated today is the goal that they were looking for.

Mr. Madani advised it could be added to the meeting that will take place on June 14, 2016. He advised staff will revise that agenda to add this subject for discussion.

There was no further Public or TAC Member comments.

The meeting adjourned at 10:19 am
