Course: Advanced FBC: Life Safety Plans Codes and Graphics - Online
Provider: AIA Florida
Accreditor: Code Consulting Services
BCIS Course Number: 967.0
Motion: Course conditionally approved based on the FBC accreditation process that only verifies the accuracy of the Florida Building Code related content, subject to the noted 6th Edition (2017) code references being changed to the 7th Edition (2020) code, and the word “Graphics” in the course title being changed to “Symbols.”
Motion: Jeffrey Stone
Second: David John
Discussion: The Education Administrator stated that the 6th Edition (2017) of the Florida Building Code references were found in the BCIS description of the course, the course syllabus, the post course quiz title, and on PowerPoint slides 36, 124, 127, and 131. All should be updated to the 7th Edition (2020) of the Florida Building Code. Commissioner John also stated that he thought part of the course title should be changed to say “Symbols” instead of “Graphics.”
Approved Unanimously

Course: Advanced Internet Course FBC Plumbing General Regulations 2020

Course: Florida Building Code, Chapter 9, Fire Protection Systems
Provider: Stay Safe Enterprises, LLC
Accreditor: Alarm Association of Florida
BCIS Course Number: 964.0
Motion: Course *conditionally approved* based on the FBC accreditation process that only verifies the accuracy of the Florida Building Code related content, subject to the addition of a course content timeline, and the identification of the correct answers for the post course exam.

**Motion:** Don Brown  
**Second:** Nan Dean  
**Discussion:** The Education Administrator stated that the correct answers for the post course exam were not identified. Also, Commissioner Dean found that a timeline for the course content was missing.

Approved Unanimously

**Course:** Advanced - Wood Design and Construction in the Florida Building Code - Online  
**Provider:** Contractor Campus, Inc.  
**Accreditor:** Code Consulting Services  
**BCIS Course Number:** 951.0

**Motion:** Course *approved* based on the FBC accreditation process that only verifies the accuracy of the Florida Building Code related content.

**Motion:** Don Brown  
**Second:** David John  
**Discussion:** Commissioner John stated that the California stamp on slide 47 probably should be a Florida stamp. Also, he stated that the risk categories and how the code applies to risk categories and wood structures should be better clarified on slides 37, 38, 39, 40. The Education Administrator stated that the provider knowingly had this course accredited using the 6th Edition (2017) Florida Building Code. He is aware that this course will need to be updated to the 7th Edition (2020) within the next 6 months to remain active.

Approved Unanimously

9.) Identify future POC member discussion items

Thomas Campbell, Executive Director of the Office of Codes & Standards at DBPR, asked to comment regarding the Training Funding portion of the Education Administrator’s Activity Report. He stated that his staff is in the process of preparing the purchase order for next fiscal year’s training funding. For the "minimum 1 hour" program category staff is planning to dedicate more of the funding to topics that deal with changes to the Florida Building Code, 7th Edition (2020) along with hurricane mitigation, flood resistance, and wind resistance. More specifically, the purchase order previously allocated approximately 13,000 continuing education hours to general code education. This fiscal year the purchase order will only assign 6,500 hours to general code education. The other 6,500 hours will be split between two categories. The first category will be changes to the Florida Building Code, 7th Edition (2020). The second category will be hurricane mitigation, flood resistance, and wind resistance requirements in the Florida Building Code, 7th Edition (2020).
