

Mr. Madani,

This is a formal complaint about **BMP INTERNATIONAL INC., FLORIDA. PRODUCT APPROVAL NUMBERS FL14239 AND FL9688.**

The following attachments are from **THE FLORIDA BOARD OF PROFESSIONAL ENGINEERS** stating improper engineering was applied to the tie down clips by Ms. Kristina Daugherty P.E.- 68455 . Because of their decision **I would recommend canceling BMP INTERNATIONAL's FLORIDA PRODUCT APPROVALS ASAP. Also, I would like to have a written formal letter from The Florida Dept. of Community Affairs stating the cancellation of BMP's FLORIDA PRODUCT APPROVALS.**

If you have any questions please contact me or The Florida Board Of Professional Engineers.
