Florida Product Approval # FL14239

Dear Mr. Meng:

The enclosed Final Order issued by the State of Florida Board of Professional Engineers calls into question the accuracy of the Product Evaluation Documents submitted for the above referenced product, specifically, the Installation Documents. Unless you submit revised Installation Documents, the matter will be taken before the Product Approval Committee at its September 29, 2011 meeting for consideration of appropriate action. Such action could include revocation of the product's approval.

Sincerely,

A handwritten signature in cursive script that reads "Leslie O. Anderson-Adams".

Leslie O. Anderson-Adams
