To Whom It May Concern:

The purpose of this letter is to advise the Florida Building Commission on my recommendation regarding the waiver application for the Shore Haven historical home located in the Sanibel Historical Museum and Village at 950 Dunlop Road, Sanibel, FL 33957. I support the waiver application before the Commission as long as the second floor is used only for storage and usages authorized by and consistent with the Florida Building Code for areas permitted without handicap accessibility.

Please do not hesitate to contact my office at harold.law@mysanibel.com or 472-3700. Thank you in advance for your consideration.

Sincerely,

R. Harold Law Jr.
Building Director, City of Sanibel
