A quorum was present and the meeting was called to order at 1:00 P.M.

Motion by Melick and second by Lipka to approve the agenda, as amended.

Motion by Lipka and second by Melick to approve the minutes of the July 1, 2002 Meeting.

Hotel Survey: Discussion of the hotel survey was deferred until the September meeting.

Emergency Evacuation Study: Discussion was deferred until the September meeting. Dr. Richardson appointed Steve Corn and Neil Melick to the Committee.

Review of the Advanced Education Module: Dr. Ron Nutter advised that the Education TAC agreed to refer development and approval of all education courses to the various boards at DBPR. He will continue to finalize the advanced module and submit it to DCA. Further detailed comments to be submitted to him for an additional two week period.

Commentary Development: Commentary to be based strictly on the Florida code, with no differentiation from the federal guidelines.

Discussion of Truncated Domes: Legal staff to determine whether detectable warnings in Florida's code based on the ANSI standard are equivalent to the reinstated truncated comes in ADAAG.

Motion and second to adjourn the meeting at 2:50 P.M.
