Summary of Modification

Add Section for Irrigation Systems in Residential Code that references Chapter 14 in Plumbing Code.

Rationale

Although there is existing code for landscape irrigation systems in Chapter 14 of the Plumbing Code there is no reference to that section in the Residential Code. This modification adds that reference.

Fiscal Impact Statement

- Impact to local entity relative to enforcement of code**
None.
- Impact to building and property owners relative to cost of compliance with code**
None.
- Impact to industry relative to the cost of compliance with code**
None.
- Impact to small business relative to the cost of compliance with code**
None

Requirements

- Has a reasonable and substantial connection with the health, safety, and welfare of the general public**
Yes.
- Strengthens or improves the code, and provides equivalent or better products, methods, or systems of construction**
Yes.
- Does not discriminate against materials, products, methods, or systems of construction of demonstrated capabilities**
No.
- Does not degrade the effectiveness of the code**
No.

P2914 Landscape irrigation systems.

Landscape Irrigation systems shall be designed and installed per Chapter 14 of the Florida Building Code, Plumbing.
