FMA Keystone Certification Program Certification Authorization Report

CAR & Product ID Number: 138 - 143
CAR Issue Date: 11/4/2005
CAR Expiration Date: 9/2/2009
Company Code: 138

This Certification Authorization Report (CAR) is issued by Keystone Certifications, Inc. (KCI) after full validation review of the product specification documents for the product named below. This report is only valid when signed and sealed by the President of KCI, and indicates the product as manufactured by the company named below has been tested and meets the requirements of the referenced standard and is eligible for the application of FMA Keystone Certification Program certification labels. Licensee stipulates in affixing certification labels to products, that those products are representative of the specimen evaluated and documented for certification authorization. Only products bearing such a certification label shall be considered certified.
