**Re: Product Approval File FL 10564  
Affirmation to the 2010 Florida Building Code  
Advanced Hurricane Technology  
58mm End-Retention Roll Shutter System**

To whom it may concern:

I have reviewed the changes in the 2010 Florida Building Code for affects on FL10564 and have determined that a Revision is not required to be considered in compliance. This letter is in support of a file affirmation change request without a Product Approval Revision.

If you have any questions regarding this evaluation, or if you need anything else, please feel free to contact me at (813) 404-7649.
