RE: Sectional Garage Door  
FL # 14092-R1

Dear Mr. Wedekind:

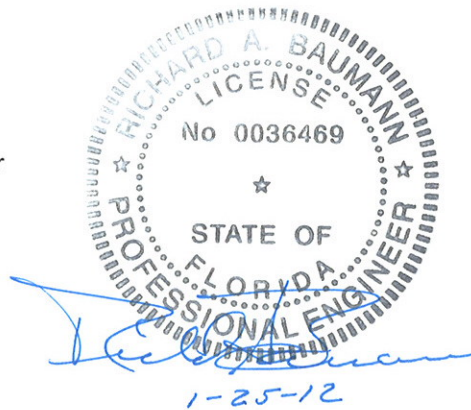

It is my opinion the applicability of the garage door tests performed under the 2007 FBC Standards will not be impacted by the language of the 2010 FBC, the 2010 FBC does not require a material change to the current application and therefore the current products comply with requirements of the 2010 FBC.

Very truly yours,
