

ADMINISTRATIVE COURSE REVIEWS FOR THE JANUARY (2023) ED POC MEETING

NEW COURSES...January 2023 ED POC Meeting

1.) Course Number 1116.0....

Course: Advanced Florida Building Code Plumbing, 7th Edition 2020

Provider: American Society of Landscape Architects Florida Chapter

Accreditor: Bill Dumbaugh

Accreditation date: 1/13/2023

This is a 1-hour instructor led course designed to establish uniform minimum standards and requirements for the design and installation of safe, cost effective, reliable irrigation systems for turf and landscape areas which promote the efficient use and protection of water and other natural resources.

After an administrative review of this course, it was found that...

- a. The course provider's address, telephone number, email address, and Florida Building Code Edition was missing on the Certificate of Completion.

As a result, I recommend denial of this course because it does not meet the full requirements of Rule 61G20-6.002. However, the ED POC could motion to instead conditionally approve this course, subject to the addition of the course provider's address, telephone number, email address, and Florida Building Code Edition to the Certificate of Completion.
