Subject: Confirmation of No Construction Performed

To Whom It May Concern,

I am writing to confirm that no construction, remodeling, or alteration work has been performed at the property located at [Property Address]. The current application relates solely to a change of use/occupancy, and the existing structure has not been modified in any way.

All square footage and building features remain as originally approved and permitted. This request does not involve any new work, demolition, or improvements that would require construction permits.

Please let me know if any additional documentation is required to clarify this matter.

Thank you for your time and assistance.

Sincerely,
