Legislative Issues Update

Jim Richmond, Commission Attorney, provided an update on legislative issues of interest to the Commission from the 2010 Florida Legislative Session, and answered member's questions. Members were provided a matrix with status updates for bills of interest to the Commission. Jim provided the Commission with a status update on SB 648 (Bennett: Commission's recommendations), HB 663 (Aubuchon: expedited product approval, and roof mounted mechanical equipment), HB 975 (Fetterman/Porth: reactive drywall taskforce), SB 1044 (Aronberg: reactive drywall taskforce), SB 2694 (Constantine: Commission's recommendations), and HB 7095/SB 846 (Bennett: prohibits the adoption of ICC residential sprinkler requirements into FBC, Residential Volume).

Jim reported that there are two new bills sponsored by Senator Constantine with tasks relevant to the Commission. They are SB 550 that if passed will require the Commission to develop recommendations for water conservation, and SB 570 that if passed will require the Commission to develop recommendations for recycling of construction materials and composting.

Up-to-date information can be obtained via the Legislature's website, <http://www.leg.state.fl.us>. Until a bill reaches the full chamber, amendments are most consistently available via committee pages linking to their meeting packets rather than from particular bill pages. Bill pages will reflect whether a particular bill is scheduled to be heard in Committee.
