Re: Bionetic Enhancement Center

10030 Wellness Way, Suite # 120
Orlando, FL 32832

Subject: Elevator access to second floor

To whom, it may concern,

We are the engineering firm responsible for performing the Design Work for the project with the address mention above. It is our opinion that the elevator is not a design issue for this project.

If you have any further question, please contact us at the phone number listed above

Sincerely
