**Approved Certification Agency Criteria (Rule 9N-3.008(4))**

To ensure prompt verification of your accreditation, please make sure that you attach the correct .pdf documents in the correct attachment boxes, i.e., 1) Applicable Standards for which you are accredited and 2) A copy of the Accreditation Certificate for each Accreditation Body you selected.

An application for Certification Agency Approval is not considered complete until the accreditation body has verified the accreditation.

Change to Evaluation Entity

Accreditation *	1: Applicable Standards File *		
2: Accreditation Certificate *			
Select (Select One) <input type="text" value="ANSI National Accreditation Board (Product Accreditation Body)"/>	<input type="button" value="Add"/>		
	1. <a href="#">Org_ID_10297_textbased.pdf</a>	<input type="button" value="Upload1"/>	<input type="button" value="Remove"/>
	2. <a href="#">Org_ID_10297_textbased.pdf</a>	<input type="button" value="Upload2"/>	

I certify that our organization meets the requirements of the International Organization for Standardization/International Electrotechnical Commission (ISO/IEC) Guide 65: "General Requirements for Bodies Operating Product Certification Systems" or equivalent as certified to the Florida Building Commission by the accrediting body, to conduct the following standard tests.\*

Change to add ISO for Evaluation Entity

Florida License (if any)  -  (#####)

Give any other information which may be of assistance to the Commission in considering this entity.

Name and title of person authorized to sign on behalf of applicant.\*

**Criteria for certification of independence (Rule 9N-3.009)**

A certification of independence shall be provided by a Florida registered architect or licensed professional engineer as applicable or by an officer of the entity, agency or laboratory that attests to the following:

1. The entity, agency or laboratory does not have, nor does it intend to acquire or will it acquire, a financial interest in any company manufacturing or distributing products tested or labeled by the agency.
2. The entity, agency or laboratory is not owned, operated or controlled by any company manufacturing or distributing products it tests or labels.
3. The Florida registered architect or licensed professional engineer performing an evaluation does not have nor will acquire, a financial interest in any company manufacturing or distributing products for which the reports are being issued.
4. The Florida registered architect or licensed professional engineer performing an evaluation does not have nor will acquire, a financial interest in any other entity involved in the

approval process of the product.

I agree to these terms\*
