Re: Deborah J. Keene Authorization

April 14, 2022

To Whom It May Concern,

Please know that Mrs. Deborah J. Keene (Certified Building Contractor # 1258202) has authorization to make application or petition on behalf of Vee and Vee Investment Co as pertains to an ADA Access Waiver in regards to the project under construction since the spring of 2021 at the historic building located at 204 N. Collins St, Plant City, FL. 33563, in the City's Downtown Historic District.

Please note also how the waiver is for only one of two identical outdoor seating areas whereas the other has full accessibility for disabled patrons, and the one now generating a waiver request does so due to: A) an inability to provide such without upset to the historical façade, and B) an undue burden of cost associated with only 12 seats to a very small business model.

Sincerely,
