

**ADMINISTRATIVE COURSE REVIEW SUMMARY REPORT FOR THE MAY (2026) ED**  
**POC MEETING**

**NEW COURSES...May 2026 ED POC Meeting**

**1.) Course Number 1346.0....**

**Course:** Florida 2023 Advanced Building Code Changes

**Provider:** ExpertCE

**Accreditor:** Nodorah Training Institute - 2

**Accreditation date:** 4/17/2026

This is a 1-hour online course that focuses on critical changes for residential and commercial electrical systems. Key topics include revised grounding, bonding, and overcurrent rules, plus new requirements for emergency disconnects, immersion pools, and fire alarms. Learn to apply these standards to ensure compliance, safety, and resilience. Perfect for professionals needing actionable knowledge to align with Florida's latest regulations.

*As a result of an administrative review of this course, I found no issues and recommend approval.*

**2.) Course Number 1347.0....**

**Course:** Residential Egress: Life-Safety Requirements Builders Must Know Florida Building Code 2023 Advanced

**Provider:** Florida Homebuilders Association

**Accreditor:** JDB Code Services, Inc.

**Accreditation date:** 5/13/2026

This is a 1-hour instructor-led course that provides a detailed, practical review of egress requirements for one- and two-family dwellings under the Florida Building Code, Residential (2023). Emphasis is placed on life safety provisions related to emergency escape and rescue openings (R310) and required egress components (R311).

*As a result of an administrative review of this course, I found no issues and recommend approval.*
