

Summary of the mods review by the members:

Ray Puzzitiello: Reviewed assigned mods – No item to talk about/no impact.
 Lee Arsenault: Reviewed assigned mods – All mods are fine, no objections and no negative cost impact.
 Alan Gremillion: Reviewed assigned mods – No impact with exception to M11776.
M11776 – Minimal, \$100/house at most on longer runs for labor and materials.
 Mike Keesee: Reviewed assigned mods – Found no impact on any of the assigned mods.
 Brian Walsh: Reviewed assigned mods – No impact with exception to SW12013.
SW12013 – There will be an additional cost to the end user as low voltage lights are more expensive. Cost is estimated at \$500 per light.
 David Hilman: Reviewed assigned mods – None have cost impact.

Assignment - Residential Modifications by TAC Action
