#### **Installing Right-Suite® Universal 2021**

Insert the Right-Suite® Universal 2021 Program CD in to your CD Drive. The install program should automatically begin. (If it does not, go to the **Start** menu on your Windows task bar and select **Run**. Type "D: installRSU.exe", where D is the letter of your CD Drive. Select **OK**.) Follow the on-screen instructions in the install program. Detailed instructions can be found attached to this certificate and in the Quick Guide. When the installation has finished, proceed to **Enter Your Activation Key**, below.

#### **Adding Features To Right-Suite® Universal 2021**

To add features or update your license, you will need to first make sure that you are running the latest update of RSU 2021. To do so, you can either visit [www.wrightsoft.com](http://www.wrightsoft.com) and select "Demos & Service Packs" to download the latest service pack or you can select **Start | Programs | Wrightsoft HVAC | Check for Right-Suite® Universal Updates** from your Start menu. With the latest update installed, proceed to **Enter Your Activation Key**, below.

#### **Enter Your Activation Key**

You can use the new Internet Registration system to activate your program or update your license if you have added new features. Detailed instructions can be found attached to this certificate and in the Quick Guide. Begin by opening your RSU 2021 program.

- If you have not activated yet, a "Welcome!" screen will appear at startup. Select the **Activate** button.
- If you already have RSU 2021 activated, or are running it in Demo Mode, go to the **Help | Licensing...** menu in your program and select "**Activate Your License Using the Internet**" to activate or "**Update Your License Using the Internet**" to update your license and add features.

Complete the Internet Registration form with your contact information and enter your Activation Key: **IBML-9KZ3-6S7D-B7GF-33EL**. When you have finished, select **Submit** from the bottom of the screen. Your program will update and you will have a licensed copy of RSU 2021.
