The public will be invited to provide written comments on the Draft 9th Edition (2026), Florida Building Code Update to the FBC (the Draft) pursuant to the Commission's 2026 Code Update Development Workplan. The Draft consists of the proposed supplements to the 8th Edition (2023) as posted December 22, 2025 and the 8th Edition (2023) FBC. COMMISSION PROCESS FOR REVIEWING TAC RECOMMENDATIONS ON WRITTEN PUBLIC COMMENTS, AND PUBLIC COMMENTS OFFERED DURING RULE WORKSHOP

- Facilitator will serve as moderator, introduce each item in turn, ask for and call the motions, and assist with Commission's adopted process and participation procedures.
- Facilitator will introduce each TAC recommendation (favorable) on public comments in turn.
- Staff will review the relevant TAC's recommendation.
- Comments will be limited to a maximum of **Three Minutes (3) Per Person**. Use **Raise Hand** icon 🙋.
- Proponents of the TAC's recommendation on the public comment will speak first.
- Opponents of the TAC's recommendation on the public comment will follow proponents.
- Limit your comment and be concise. Do not read lengthy prepared statements.
- Offer new points and/or state agreement with previous speakers; please do not repeat what has been stated.
- Chair/Facilitator may terminate a comment if it is repeating previous comments.
- The Commission wants to hear all perspectives, and not repeats of the same views.
- Proponents/Opponents not wishing to provide comments are encouraged to raise their hands in support of or opposition to comments to provide a sense of stakeholder preferences [For virtual meetings use the **Thumb Up** icon 👍].
- Facilitator in consultation with the Commission chair, may require stakeholder groups to select a representative(s) to provide the Commission with their comment(s), pursuant to F.S.
- Clarifying questions of commenters is restricted to Commission members only.
- Staff, proponent, or specified commenter will respond to Commission Member's questions.
- Once a motion for an action on a comment is on the floor, discussion is limited to Commission members except as allowed by the Chair/Facilitator.
- All TAC favorable recommendations on public comments will be considered individually. The Commission will take action on each comment by voting either to approve the comment and amend their previous action, or deny the comment and retain their previous action.
- Once the Commission takes action on all of the TACs' favorable recommendations, members of the public will be afforded an opportunity to provide additional public comment, including commenting on issues that did not receive a favorable recommendation from the TACs.
- The same process will be used as above: public comment received, and after public comment on each issue brought forward is concluded, the Commission will decide whether to take any action.
- Motions require a 75% favorable vote for approval; those with less than a 75% favorable vote, are deemed not approved.
