

LETTER OF AUTHORIZATION

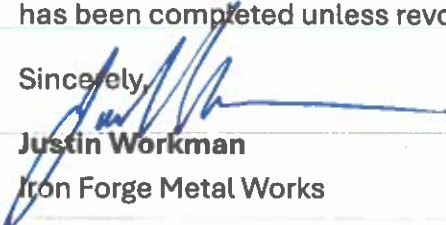

To Whom It May Concern,

This letter serves as authorization for **Group 4 Design, Inc.**, and **Gabriel M. Divone Jr., AIA, NCARB**, and designated representatives of Group 4 Design, to act on behalf of **Iron Forge Metal Works** in the preparation and submission of documents related to the Accessibility Waiver application for the referenced project.

Group 4 Design, Inc. is authorized to prepare forms, submit applications, provide supporting documentation, respond to requests for additional information, and communicate with agencies as necessary to facilitate the review and approval process.

This authorization shall remain in effect until the Accessibility Waiver application process has been completed unless revoked in writing by Iron Forge Metal Works.

Sincerely,

Justin Workman

Iron Forge Metal Works

COST OF CONSTRUCTION CERTIFICATION
