

ADMINISTRATIVE COURSE REVIEW SUMMARY REPORT FOR THE OCTOBER
(2026) ED POC MEETING

NEW COURSES...October 2026 ED POC Meeting

1.) Course Number 1373.0....

Course: 2026 Florida Advanced Building Code 9th Edition, Part 2

Provider: Education Pathways

Accreditor: Bill Dumbaugh

Accreditation Date: 8/12/2026

This is a 1-hour online course that examines Select Changes within Chapter 4 and provides an overview of the significant changes and additions to Chapter 4, Special Detailed Requirements Based on Occupancy and Use, of the Florida Building Code – Building, 9th Edition (2026).

As a result of an administrative review of this course, I found no issues and recommend approval.

2.) Course Number 1363.0....

Course: Advanced Changes to the 9th Edition (2026) Florida Building Code - Accessibility

Provider: Boss Construction School

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 8/20/2026

This is a 2-hour online course that reviews the major accessibility changes in the 2026, 9th Edition Florida Building Code – Accessibility. Participants will compare new and previous code requirements and learn their application to new construction, alterations, permitting, inspections, and enforcement. Topics include accessible routes, parking, entrances, toilet rooms, dwelling units, vertical accessibility, site design, and coordination with the 2010 ADA Standards for Accessible Design.

As a result of an administrative review of this course, I found no issues and recommend approval.

3.) Course Number 1362.0....

Course: Advanced (2026) 9th Edition Florida Building Code Swimming Pool Safety

Provider: Boss Construction School

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 8/20/2026

This is a 1-hour online course that will provide a summary of relevant FBC and NEC codes and standards (UL) and an overview of proper ground, as well as luminaire bonding, GFCIs, stray voltage for Pools. Additionally, will review proper maintenance/servicing, repair and retrofitting.

After an administrative review of this course, it was found that...

- a. The reference to the “2023-7th Edition” should be changed to the “2026-9th Edition” on page 6 of the Syllabus
- b. The 3 references of “2023” should be changed to “2026” on page 9 of the syllabus.
- c. The references of “2023” should be changed to “2026” on slides 12 & 15 of the PowerPoint
- d. **As a result, I recommend denial of this course because it does not meet the full requirements of Rule 61G20-6.002. However, the ED POC could motion to instead conditionally approve this course, subject to all of the noted changes of “2023-7th Edition” to “2026-9th Edition”, in the Syllabus and PowerPoint.**

4.) Course Number 1361.0....

Course: Online Advanced (2026) 9th Edition Florida Building Code Accessibility

Provider: Boss Construction School

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 8/20/2026

This is a 2-hour online course that covers the accessibility requirements of the 2026, 9th Edition Florida Building Code – Accessibility. It reviews key code provisions, and practical compliance requirements for design, construction, and inspections. The course is presented online using a narrated PowerPoint presentation titled "Online Advanced (2026) 9th Edition Florida Building Code Accessibility."

After an administrative review of this course, it was found that...

- a. The reference to the “2023-8th Edition” should be changed to the “2026-9th Edition” on slide 57 of the PowerPoint
- b. **As a result, I recommend denial of this course because it does not meet the full requirements of Rule 61G20-6.002. However, the ED POC could motion to instead conditionally approve this course, subject to changing “2023-8th Edition” reference to “2026-9th Edition” on slide 57 of the PowerPoint.**

5.) Course Number 1384.0....

Course: Florida Building Code Mechanical – 9th Edition (2026)

Provider: EducUp

Accreditor: Bill Dumbaugh

Accreditation Date: 8/22/2026

This is a 1-hour online course that provides an overview of the 2026 Florida Building Code – Mechanical, 9th Edition, covering key mechanical system requirements, installation standards, safety provisions, and code compliance for Florida construction professionals.

As a result of an administrative review of this course, I found no issues and recommend approval.

6.) Course Number 1387.0....

Course: Complying With the ADA and the FACBC - Advanced

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 8/28/2026

This is a 2-hour instructor led course that addresses the applicable accessibility requirements of the Florida Accessibility Code for Building Construction and the 2010 ADA Standards for Accessible Design. The course will provide attendees with a practical understanding of key accessibility provisions and their application to the design and construction of accessible facilities.

As a result of an administrative review of this course, I found no issues and recommend approval.

7.) Course Number 1385.0....

Course: Advanced FBC 9th Edition (2026) – The Five Walls of FBC. A Guide to Fire Resistance & Fire Protection

Provider: AIA Florida

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 8/28/2026

This is a 2-hour instructor led course that provides a practical overview of the five wall types in the Florida Building Code, 9th Edition (2026), focusing on fire-resistance-rated walls, opening protectives, and their roles in passive fire protection systems. Through case studies, testing examples, and real-world applications, participants will gain a clear understanding of wall ratings, fire protection ratings, code requirements, and proper application for code-compliant building design.

As a result of an administrative review of this course, I found no issues and recommend approval.

8.) Course Number 1388.0....

Course: Complying With The Fair Housing Act - Advanced

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 8/30/2026

This is a 2-hour instructor-led course that provides the accessibility requirements of the Fair Housing Act for covered multifamily dwelling units. The course will address the seven Fair Housing Act requirements, an accessible building entrance; accessible and usable public and common use areas; usable doors; an accessible route through the covered dwelling unit; accessible light switches, electrical outlets, thermostats, and other environmental controls; reinforced for grab bars; and usable kitchens and bathrooms.

As a result of an administrative review of this course, I found no issues and recommend approval.

9.) Course Number 1393.0....

Course: Adv FBC 9th Edition (2026). The Five Walls of FBC. A Guide to Fire Resistance & Fire Protection - Online

Provider: AIA Florida

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/01/2026

This is a 2-hour online course that examines the five walls of the Florida Building Code, 9th Edition (2026), focusing on fire-resistance ratings, opening protective ratings, and passive redundant systems. Participants will learn the appropriate use, applications, and opening protectives for each wall type. Testing criteria, code requirements, case studies, and laboratory examples will illustrate practical approaches to achieving code compliance.

As a result of an administrative review of this course, I found no issues and recommend approval.

10.) Course Number 1396.0....

Course: 2026 Florida Advanced Building Code: Accessibility Scoping Requirements, 9th Edition

Provider: Vector Solutions

Accreditor: Bill Dumbaugh

Accreditation Date: 9/04/2026

This is a 1-hour online course that provides an overview of accessibility scoping requirements under Chapter 2 of the 2026 Florida Building Code: Accessibility, 9th Edition. The course

explains where accessibility provisions apply to new construction, additions, alterations, and selected site elements, with emphasis on Florida-specific requirements and their relationship to the federal ADA Standards.

As a result of an administrative review of this course, I found no issues and recommend approval.

11.) Course Number 1392.0....

Course: Advanced FBC 9th Edition (2026) – Vertical Fenestration

Provider: AIA Florida

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/02/2026

This is a 2-hour instructor led course that explores fenestration requirements in the Florida Building Code, 9th Edition (2026), including wind-borne debris protection, testing and labeling, product approvals, installation considerations, energy requirements, and code compliance.

As a result of an administrative review of this course, I found no issues and recommend approval.

12.) Course Number 1390.0....

Course: Complying With The Fair Housing Act 2026 – Advanced - Internet

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/03/2026

This is a 2-hour online course that provides the accessibility requirements of the Fair Housing Act. The course will address the seven Fair Housing Act design and construction requirements, an accessible building entrance; accessible and usable public and common use areas; usable doors; an accessible route through the covered dwelling unit; accessible locations for light switches, electrical outlets, thermostats; reinforced bathroom walls for grab bars; and usable kitchens.

As a result of an administrative review of this course, I found no issues and recommend approval.

13.) Course Number 1389.0....

Course: Complying With the ADA and the FACBC – Advanced - Internet

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/03/2026

This is a 2-hour online course that addresses the applicable accessibility requirements of the Florida Accessibility Code for Building Construction and the 2010 ADA Standards for Accessible Design. The course will provide attendees with a practical understanding of key accessibility provisions and their application to the design and construction of accessible facilities.

As a result of an administrative review of this course, I found no issues and recommend approval.

14.) Course Number 1407.0....

Course: 2026 Advanced Training: The Florida Accessibility Code Ch. 2 Scoping Requirements

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/08/2026

This is a 2-hour instructor led course that is designed to provide building code administrators, plans examiners, inspectors, design professionals and contractors with 2.0 hours of building code training, specifically in the area of the Scoping Requirements as contained in Chapter 2 of the 9th Edition (2026) Florida Building Code, Accessibility volume.

As a result of an administrative review of this course, I found no issues and recommend approval.

15.) Course Number 1406.0....

Course: 2026 Advanced Training: Designing the Accessible Means of Egress

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/08/2026

This is a 2-hour instructor-led course that is designed to provide participants with 2.0 hours of building code training and reviews the technical provisions applicable to the design of an accessible means of egress as required under the 9th Edition (2026) Florida Building Code, Accessibility volume.

As a result of an administrative review of this course, I found no issues and recommend approval.

16.) Course Number 1409.0....

Course: 2026 Advanced Training: Accessible Routes Under the Florida Accessibility Code

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/09/2026

This is a 2-hour instructor led course that is designed to provide building code administrators, plans examiners, inspectors, design professionals and contractors with 2.0 hours of advanced building code training on the technical provisions contained in Chapter 4 of the 9th Edition (2026) of the Florida Building Code, Accessibility Volume, Chapter 4, Accessible Routes.

As a result of an administrative review of this course, I found no issues and recommend approval.

17.) Course Number 1410.0....

Course: 2026 Advanced Training: Designing the Accessible Means of Egress

Provider: Larry M. Schneider AIA

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/09/2026

This is a 2-hour online course that is designed to provide participants with 2.0 hours of building code training and reviews the technical provisions applicable to the design of an accessible means of egress as required under the 9th Edition (2026) Florida Building Code, Accessibility volume.

As a result of an administrative review of this course, I found no issues and recommend approval.

18.) Course Number 1399.0....

Course: Advanced FBC 9th Edition (2026) – Vertical Fenestration - Online

Provider: AIA Florida

Accreditor: JC Code and Construction Consultants, Inc.

Accreditation Date: 9/12/2026

This is a 2-hour online course that explores fenestration requirements in the Florida Building Code, 9th Edition (2026), including wind-borne debris protection, testing and labeling, product approvals, installation considerations, energy requirements, and code compliance.

As a result of an administrative review of this course, I found no issues and recommend approval.

19.) Course Number 1372.0....

Course: 2026 Florida Advanced Building Code 9th Edition, Part 1

Provider: Education Pathways

Accreditor: Bill Dumbaugh

Accreditation Date: 8/10/2026

This is a 1-hour online course that provides an overview of the evolution, purpose, and impact of modern building codes, with a focus on safety, resilience, sustainability, and regulatory adaptation.

As a result of an administrative review of this course, I found no issues and recommend approval.

20.) Course Number 1401.0....

Course: Florida Building Code 9th Edition: Advanced Course

Provider: PDH Academy

Accreditor: Bill Dumbaugh

Accreditation Date: 9/17/2026

This is a 2-hour online course that analyzes many highlights and changes from the previous Florida Building Code 8th Edition. The course is provided in accordance with the requirements of the Florida Department of Business and Professional Regulation (DBPR) for the required Advanced Florida Building Code Module under Fla. Admin. Code 61G4-18.001(2)(b).

As a result of an administrative review of this course, I found no issues and recommend approval.

UPDATED COURSES...October 2026 ED POC Meeting

1.) Course Number 970.2....

Course: 2026 Advanced Building Code, 9th Edition – Accessibility - Internet

Provider: Titan Continuing Education, Inc.

Accreditor: Bill Dumbaugh

Accreditation Date: 9/08/2026

This is a 2-hour online course that will examine the current 2026 version of the code and the most recent changes where they did occur. In a few instances, where the original content is needed to help explain the intent behind a change, an overview of the appropriate sections of the 2010 ADA Standards for Accessible Design will be provided.

As a result of an administrative review of this course, I found no issues and recommend approval.

2.) Course Number 689.4....

Course: 2026 Advanced Building Code, 9th Edition – Fire Protection - Internet

Provider: Titan Continuing Education, Inc.

Accreditor: Bill Dumbaugh

Accreditation Date: 7/21/2026

This is a 1-hour online course that is designed to provide building code officials, contractors, architects and engineers with an overview of the technical requirements contained in Chapter 7, Fire and Smoke Protection Features, of the Florida Building Code, Building Volume. This course will also assist code users in identifying specific code changes that have occurred in the 9th Edition (2026) of the code and to understand the reasons behind the changes.

*As a result of an administrative review of this course, **I found no issues and recommend approval.***

3.) Course Number 1144.1....

Course: 2026 Advanced Building Code, 9th Edition – Means of Egress

Provider: Titan Continuing Education, Inc.

Accreditor: Bill Dumbaugh

Accreditation Date: 7/20/2026

This is a 1-hour online course that is designed to provide contractors, architects and engineers with an overview of the technical requirements contained in Chapter 10, Means of Egress, of the Florida Building Code, Building Volume. This course will also assist code users in identifying specific code changes that have occurred in the 9th Edition (2026) of the code and to understand specific aspects of the changes.

*As a result of an administrative review of this course, **I found no issues and recommend approval.***

SELF AFFIRMED (ONE CHANGE) COURSES...October 2026 ED POC Meeting

1.) Course Number 1026.2....

Course: Advanced FBC: Fair Housing vs Florida Accessibility Code: Who, What, When, Where & How - Online

Provider: AIA Florida

Prior Accreditor: JC Code and Construction Consultants, Inc.

Affirmation Date: 8/18/2026

This is a 2-hour online course that compares Fair Housing regulations with the stricter requirements of the FBC Accessibility with an eye towards when one applies over the other and when both apply. The course will compare the differences between useable and accessible elements as defined by Fair Housing and compare those with the more exacting requirements of the Florida Building Code and the ADA, then discuss the application of each set of requirements.

As a result of an administrative review of this course, I found no issues and recommend approval.

2.) Course Number 594.5....

Course: FACBC and ADA Accessibility Standards for Medical/Hospital Facilities - Advanced

Provider: Larry M. Schneider AIA

Prior Accreditor: JC Code and Construction Consultants, Inc.

Affirmation Date: 8/23/2026

This is a 2-hour instructor-led course that addresses the specific requirements of the Florida Accessibility Code for Building Construction and the 2010 ADA Standards. The course will instruct attendants in the specific requirements for accessibility requirements for medical/healthcare facilities. The only change is the reference to the FBC from 2023 to 2026

As a result of an administrative review of this course, I found no issues and recommend approval.

3.) Course Number 531.4....

Course: The ABC's of the New ADA and the FACBC - Advanced

Provider: Larry M. Schneider AIA

Prior Accreditor: JC Code and Construction Consultants, Inc.

Affirmation Date: 8/23/2026

This is a 2-hour instructor-led course that addresses the specific requirements of the updated Florida Accessibility Code for Building Construction and the 2010 ADA Standards. The course will instruct attendants in the specific requirements for: the accessible route, accessible parking requirements, the issue of Florida's specific requirements regarding vertical accessibility, providing accessible toilet rooms, bathrooms and toilet stalls.

As a result of an administrative review of this course, I found no issues and recommend approval.

4.) Course Number 292.4....

Course: Advanced Fair Housing Act OR The Seven Deadly Sins of the FHA

Provider: Larry M. Schneider AIA

Prior Accreditor: JC Code and Construction Consultants, Inc.

Affirmation Date: 8/23/2026

This is a 2-hour instructor-led course that addresses the specific requirements of the Fair Housing Act. The course will instruct attendants in the specific requirements of the Act – accessible building entrance on an accessible route, accessible and usable public spaces, usable doors, accessible route into and through the covered unit, light switches, electrical outlets, thermostats and other environmental controls, reinforced walls for grab bars and usable kitchens and bathroom.

After an administrative review of this course, it was found that...

- a. The reference to the “2017” Edition should be changed to the “2026” Edition on page 1 of the Syllabus
- b. Change “2024” to “2026” on all PowerPoint slides (top right corner)
- c. **As a result, I recommend denial of this course because it does not meet the full requirements of Rule 61G20-6.002. However, the ED POC could motion to instead conditionally approve this course, subject to changing noted Edition dates on the Syllabus and PowerPoint**

5.) Course Number 163.4....

Course: 2026 Advanced Accessibility Compliance – The Good, The Bad, The Ugly – OR Why Did I Do That??

Provider: Larry M. Schneider AIA

Prior Accreditor: JC Code and Construction Consultants, Inc.

Affirmation Date: 9/12/2026

This is a 2-hour instructor-led course that addresses the specific requirements of the Florida Accessibility Code for Building Construction. The course will instruct attendants in the common errors that have and are occurring in construction relating to accessibility issues. Only code change is the year of the FBC to 2026.

As a result of an administrative review of this course, I found no issues and recommend approval.

6.) Course Number 775.2....

Course: 2026 Advanced FBC 9th Edition (2026) Accessibility

Provider: The Media Factory, Inc.

Prior Accreditor: Charles Barr

Affirmation Date: 9/14/2026

This is a 2-hour online course that is designed to give the design professional the knowledge and information needed to understand how the Federal Americans with Disabilities Act's (ADA) standards have been updated recently, and how the State of Florida has incorporated these updates in it's Building Code 9th Edition (2026) along with special Florida Requirements that meet or exceed the Federal ADA standards.

As a result of an administrative review of this course, I found no issues and recommend approval.
