Subject: Complaint #57
A. ER-291
B. ASTM C1363

Dear Mr. Vogel,

Complaint #57 was opened on UES ER-291 (Fi-Foil) based on information provided by Florida Building Commission on September 5, 2019. In accordance with IAPMO UES SOP-008, Complaints Procedure, IAPMO UES investigated and revised the evaluation report in response to the complaint. On July 29, 2021, the IAPMO UES Complaint Committee voted to close this complaint, and as set forth in the aforementioned procedure, we are providing you formal notice of the outcome.

If you have any questions, please let us know.

Best regards,

Brian Gerber
Vice President, Technical Operations
