

October 12, 2021

Mo Madani, Program Manager
Building Codes and Standards
Florida Building Commission
2601 Blair Stone Road
Tallahassee, Florida 32399

Dear Mr. Madani:

Please find enclosed our Request for approval by the Florida Building Commission as a Compliance Software Tool for our software Right-Suite® Universal 2021 using its Right-Energy® Florida 2021 module.

We are submitting our software for use in 2020 Performance Method, New Construction, Single Family houses.

In accordance with the Energy Simulation Tool Approval Technical Assistance Manual (TAM), we are including the following submittals in support of our application:

- Cover sheet “Request for Approval” with certification that the software meets the requirements of the Florida Building Code, Energy Conservation 2020.
- URL to download latest version of Right-Suite® Universal 2021:
<https://www.wrightsoft.com/Support/rsu21.0.09/WSF/SetupWWSF21009.exe>
- Instructions to install and activate the program also containing the files listed:
 - Example computer run reports in pdf format.
 - Compliance supplement and user’s manual in pdf format.
 - Code compliance test results spreadsheets.
 - Code compliance test input files.

We look forward to continuing our participation with the Florida Building Commission to meet the testing requirements and any additional requirements moving forward.

Please contact me at michael.shnitman@mii.com or by dialing 781-354-2630 if you have any questions while reviewing our application submission.

Sincerely,

Michael Shnitman
Director of Software Development - HVAC
