

Changes to the 2012 Florida Accessibility Code
Accessibility Fact Sheet Outline
Prepared For Building A Safer Florida
Prepared by Code Consulting Services, Inc./Sharon Mignardi
Contract Number 11-BC-28-12-00-22-004

Because of the significant update for the 2012 Florida Accessibility Code, the Flyer will discuss the adoption of the 2010 ADA Standards for Accessible Design (SAD) and the Florida Specific Amendments (contained in Statute). Each Chapter of the SAD will have an overview and significant specific changes within that chapter will be highlighted. A complete analysis of all the changes to the 2012 Florida Accessibility Code cannot be provided in the limited 6 pages for the flyer as specified by the contract.
