Dear Pat,

Per your written request, you are hereby granted a waiver of retest to modify the sash frames on your Series 07-09 Picture, Double Hung and Horizontal Slider and 08-09 Awning and Casement product lines. The new frame codes will be identified as -10 and -20.

The test results and drawings included with your waiver request provide evidence of performance equivalence for the Series -10 flange frame and the Series -20 J-channel frame. The installation fasteners and locations are to remain unchanged.

Sincerely,
