Order No.: 15797184

Subject: Third-Party Inspection for Products Inspected under Florida Quality Assurance FL14636

Expiration: April 24, 2028

This letter is to confirm that Cornell Iron Works has an agreement with UL LLC to conduct audits at the plant listed below to verify Florida Quality Assurance requirements as the following third-party plant location(s):

Florida Product Approval Number	Manufacturer's Company Name	Manufacturing Location
FL14636	CornellCookson LLC	24 Elmwood Ave. Mountain Top, PA 18707

***Department of Community Affairs (FBC) will be notified immediately upon termination of the inspection agreement*

Quality control systems and products are to be inspected for compliance with the manufacturer's quality documentation, and the Florida Product Approval Reports.

A minimum of one (1) inspection per year will be conducted.

Please send correspondence to the BSAI mailbox (bsai.inspections@ul.com) should you have any questions, or if we may be of further assistance.

Thank you for choosing UL.

Best Regards,
