Subject: FBC QA Expiration for UL Client - 2026

Dear Tommy,

This letter is to confirm that McElroy Metal Mill Inc. (UL File R6955) is currently a subscriber of UL's Certification and Follow-Up Service for the FL #'s as shown below. McElroy Metal Mill Inc.'s follow-up service with UL can be used in severe weather rated assemblies, that when constructed in accordance with our follow-up service are eligible to bear the appropriate UL Mark, and maintains continuous quality assurance; therefore, for FBC purposes only, this client may extend their Quality Assurance Contract Expiration Date for a period of 5 years from the FBC approval date for the following FL #'s:

FL1747, FL1832, FL2358, FL8051, FL8885, FL10680, FL13647, FL16606, FL17531, and FL17905.

Very truly yours,

James Young
Senior Project Engineer
