

**AAMA CERTIFICATION PROGRAM**  
An FGIA Product Certification Program

**AUTHORIZATION FOR PRODUCT CERTIFICATION**

Peerless Products, Inc.  
P.O. Box 431  
Ft. Scott, KS 66701

This authorization is based on the successful completion of tests, and the reporting to the AAMA Validator of the results of the tests by an AAMA Accredited Laboratory. The product information below will be added to the next update of the AAMA Certified Products Directory.

| SPECIFICATIONS                                                 |                                                                                                   | RECORD OF PRODUCT TESTED |                                                                                                       |                                                                      |                                                                    |
