

## AAMA CERTIFICATION PROGRAM

An FGIA Product Certification Program

### AUTHORIZATION FOR PRODUCT CERTIFICATION

Winco Window Company  
6200 Maple Ave.  
St. Louis, MO 63130

This authorization is based on the successful completion of tests, and the reporting to the AAMA Validator of the results of the tests by an AAMA Accredited Laboratory. The product information below will be added to the next update of the AAMA Certified Products Directory.

| SPECIFICATIONS                                                                |                                                                             | RECORD OF PRODUCT TESTED |                                                                                                              |                                                  |                                                |
