Attn: Tina Seese  
Simulation and Certification Coordinator

Dear Tina,

Per your written request, you are hereby granted a waiver of retest to modify the frame on your Series 07-75 Double Hung, Horizontal Slider, and Picture Window product lines: the new frame codes will be identified as 07-09, 07-10, 07-20, and 75-09.

The test results of the 07-75 products and drawings included with your waiver request provide evidence of performance equivalence for the Series 07-09, 07-10, 07-20, and 75-09 frames, as the changes are minor and are aesthetic in nature or made to accommodate alternate methods of installation.

Sincerely,
