Attn: Tiffany Davies
Code & Regulatory Representative

Dear Tiffany,

Per your written request, you are hereby granted a waiver of retest to modify the frames on your Series 43-06 Picture, Single Hung and Horizontal Slider product lines. The new frame code will be identified as 43-17.

The test results and drawings included with your waiver request provide evidence of performance equivalence for the Series 43-17 frame, as the changes are minor and are predominantly aesthetic in nature. The installation fasteners and locations are to remain unchanged.

Sincerely,

Brad Schultz
