Subject: UL Follow-Up Service – Greenheck Fan Corp. and The Airolite Co. LLC

Dear Mr. Steele

This letter is in reply to your recent e-mail requesting a letter to confirm the companies above have existing, on-going Follow-Up Service with UL, which is valid through 2027-12-31.

Greenheck Fan Corp. is currently a subscriber of UL's Classification and Follow-U Service for File R25119. As such, Greenheck's Follow-Up Service with UL is for various Greenheck louvers (Models: AFL-501, AFJ-601X, EHH-501X, ESD-435X, ESD-635X, and EVH-602X) that can be used in severe weather rated assemblies, that when constructed in accordance with UL's Follow-Up Service, are eligible to bear the appropriate UL Mark.

The Airolite Co. LLC is currently a subscriber of UL's Classification and Follow-U Service for File R26078. As such, Airolite's Follow-Up Service with UL is for various Airolite louvers (Models: K6744X, AFG501, K676X, SCH501X, T9106X, and SCV602X) that can be used in severe weather rated assemblies, that when constructed in accordance with UL's Follow-Up Service, are eligible to bear the appropriate UL Mark.

Any information and documentation involving UL Mark's services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Should you have any questions or comments concerning the above, please feel free to contact me.

Respectfully,

A handwritten signature in black ink, appearing to read 'Michael Nicasio'.
