Re: Product Approval No. FL 19945.1 "Outswing Glazed Wood Doors"
Product Approval No. FL 19945.2 "Opaque Outswing Wood Doors"

ENGINEER'S STATEMENT OF CODE COMPLIANCE

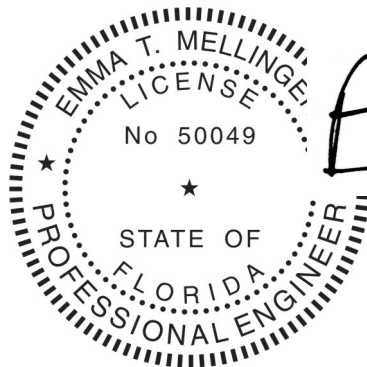

I have evaluated the above-referenced products and find them to conform to the applicable sections of the Florida Building Code, 7th Edition (2020) including, but not limited to Section 1709.5 "Exterior Window and Door Assemblies"

No change has been made to the reference standards that affect either of the above-referenced products.

When used in areas requiring windborne debris protection, both above-referenced products comply with Section 1609.1.2 "Protection of Openings", and Section 1626 "HVHZ Impact Tests for Windborne Debris"; hurricane shutters are not required.

Please do not hesitate to contact me if you have any questions or comments, or require further information.

Sincerely,
