SUBJECT: Product Conformance to the 8th Edition Florida Building Code

Dear Sir (Madam),

I have reviewed the referenced Florida Product Approval and associated documents and found all drawings, reports, referenced test standards, and associated ancillary tests as noted in the currently approved documents listed below to be in compliance with the 8th Edition of the Florida Building Code.

It has been concluded that no revisions or changes to the referenced standards and standard years has occurred between Chapter 35 of the 7th Edition (2020) and Chapter 35 of the 8th Edition (2023) of the Florida Building Code. Therefore, all test standards listed below are valid for the 8th Edition of the Florida Building Code.

To the best of my knowledge, all referenced & included test standards, methods of installation, details, and performance ratings have been found to comply with the 8th Edition of the Florida Building Code.

This product is manufactured under a quality assurance program currently approved by the Florida Building Commission.

Please note that I do not have, nor will I acquire, a financial interest in any company manufacturing or distributing the product(s) for which the reports are being issued.

I also do not have, nor will I acquire, any financial interest with the Laboratory that performed the test(s), or with the Engineer witnessing the test(s) and sealing the test report(s).

Respectfully submitted,
