Re: Letter of Financial Independence – OGT 700

To Whom it may Concern,

This letter is to communicate to the public that I Carlos Melchor P.E. and Melchor Consultation Services, LLC, neither have and will not have in the future financial interest in, OGT-700 Window Wall system, and/or OGT Window Products, LLC.

The limit of the engagement is that Melchor Consultation Services, LLC was retained by OGT Window Products, LLC to provide engineering calculations and installation drawings for the OGT-700 Window Wall system.

Sincerely,

Carlos Melchor P.E.
