**Re: CERTIFICATE OF INDEPENDENCE
SERIES ES-8860i ALUMINUM WINDOW WALL SYSTEM**

I, the undersigned, a Professional Engineer Registered in the State of Florida have reviewed the test reports and drawings for the "Series ES-8860i Aluminum Window Wall System", large and small missile impact.

This letter shall confirm that upon review of the listed test reports and manufacturer's drawings and performing the required structural calculations, having successfully passed the required tests as indicated on the listed reports, the product listed above complies with the requirements of the 2026 Florida Building Code for High Velocity Hurricane Zones.

This letter shall also confirm that I do not have and will not have in the future any financial interest with the laboratory preparing the above referenced test reports or with the company manufacturing or distributing this product. If you have any questions, please do not hesitate to contact me at (305) 613-7683.

Respectfully submitted,

John Delgado
