

## STATEMENT OF INDEPENDENCE

June 17, 2026

TO: Wayne-Dalton / Overhead Door Corporation  
3395 Addison Drive  
Pensacola, FL 32514

RE: Statement of Independence

As a Professional Engineer licensed in the State of Florida and acting on behalf of Voelkel Engineering LLC, I hereby affirm the following:

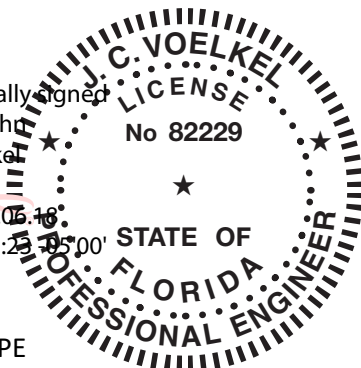

1. I am an independent professional engineer and am not an employee, officer, director, or agent of Wayne Dalton / Overhead Door Corporation, its parent company, subsidiaries, affiliates, distributors, or installers.
2. Neither I nor Voelkel Engineering LLC have any ownership interest, financial interest, or other business relationship with Wayne Dalton / Overhead Door Corporation that would impair or influence my professional judgment.
3. Compensation received for engineering services is solely for professional services rendered and is not contingent upon the approval, certification, acceptance, sale, or performance of any product.
4. Any engineering evaluations, calculations, reports, certifications, or opinions prepared by me are based upon my independent professional judgment, applicable engineering principles, available technical information, and the requirements of applicable codes and standards.
5. I maintain responsibility for the engineering services performed under my seal and license and exercise independent professional judgment in all aspects of my work.

This statement is provided to document my professional independence in connection with engineering services related to products manufactured or supplied by Wayne Dalton / Overhead Door Corporation.

Sincerely,

John  
Voelkel
