To whom it may concern:

Certification of Equivalency:

I certify that there are no changes in the current ASTM E1886-12 and ASTM E1996-17 standards or the TAS 201, TAS 202 and TAS 203 that affect the product testing conducted for this approval.

Disclosure:

The product approval FL 5013 was created by the in-house engineering department (Roll-a-way by QMI). The roll shutter product approval evaluation report was completed, signed, and sealed by the prior Manager of Engineering, the undersigned, and an employee of QMI.

As an engineer on the referenced product approval above, I do declare that I will not have any financial interest in any company manufacturing or distributing of the above referenced product, nor do I have or will have any financial interest in any other entity involved in the approval process of the product. I am retiring from my employment with QMI Security Solutions effective December 31, 2020.

Don Fowler
Sincerely,

Donald Lynn Fowler, P.E.
