

Dutch Seam

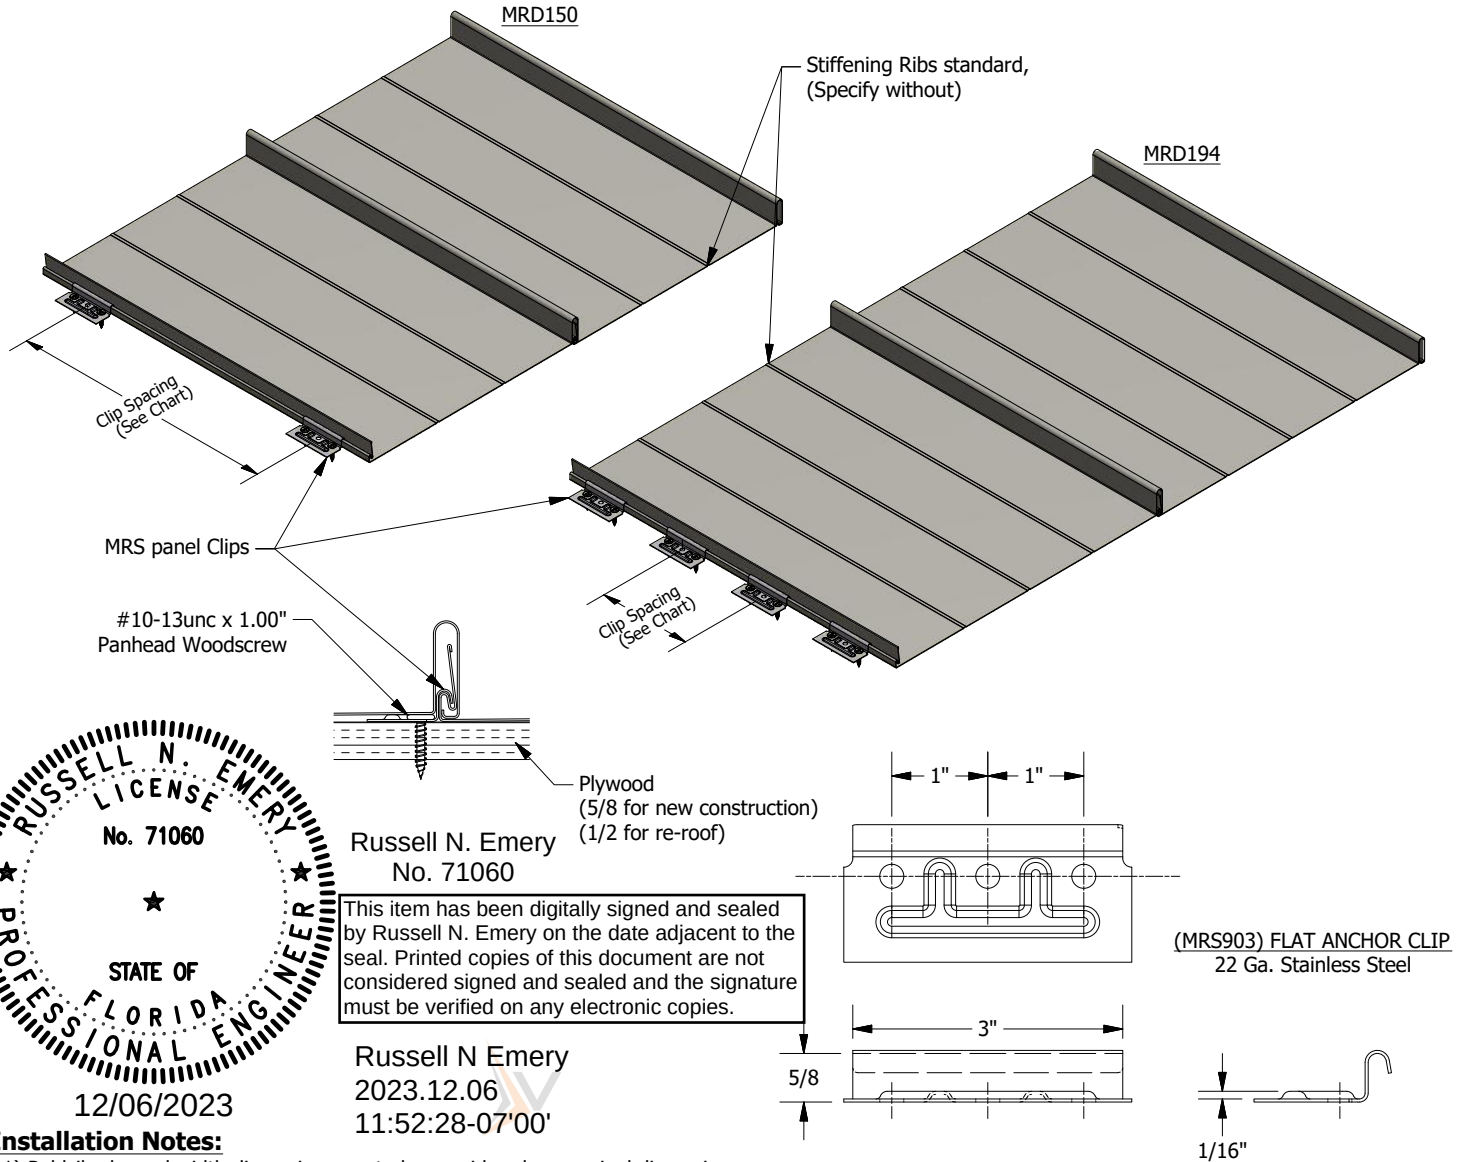

Product: MRD150
MRD194

Materials: .032 Alum

Substrate: 5/8" THK Plywood (min.)
1/2" THK Plywood for re-roofing (min.)

Fasteners: 10 x 1.00" Panhead Wood Screw

.032 ALUM MRD HVHZ Zones			
Panels	Allowable Pressure (psf)	Clip Spacing (in)	Fasteners per Clip
MRD150	71	12	2
	113	8	2
MRD194	158	4	2

Installation Notes:

- 1) Published panel width dimensions are to be considered as nominal dimensions.
- 2) Variations in overall coverage may occur at installation due to typical manipulating of panels during attachment to the roof assembly.
- 3) Clips designed for use with wafer (pancake) headed screws.
