Re: Equivalency statement for testing of Palm City Millwork, Inc. wood sash set fixed windows to the PA-201, 202 & 203 protocols in lieu of the current 2010 FBC required TAS-201, 202 & 203 protocols.

Tests performed per protocols PA-201, 202 & 203 are equivalent to those required by TAS-201-94, TAS-202-94 & TAS-203-94. The testing performed on the above stated product is therefore acceptable.

Sincerely,
