Re: ASCE 7-16, ASCE 7-22

To Whom It May Concern:

ASCE 7-22 is referenced in Chapter 35 of the 8E Florida Building Code (Building) (2023). A review of these documents shows that Exterior Rolling Overhead Doors designed in accordance with ASCE 7-16 can be considered at least equivalent to doors designed in accordance with ASCE 7-22.

Sincerely:

James D. Wheeler, P. E.
