Re: Equivalency statement for AAMA/WDMA/CSA/101/I.S.2/A440, ASTM E1886 & ASTM E1996 testing of the following Loewen Windows product:

- Stormforce Aluminum Clad In-Swing Non-Impact Door under FL17221

While the test reports state testing to AAMA/WDMA/CSA/101/I.S.2/A440-08, ASTM E1986-05 & ASTM E1996-09, upon review of that testing, we find that the testing performed on the applicable products referenced here-in also meets the requirements of the current standards AAMA/WDMA/CSA/101/I.S.2/A440-17 ASTM E1986-13a & ASTM E1996-17. Therefore, equivalency of standards has been met & reference to AAMA/WDMA/CSA/101/I.S.2/A440-17, ASTM E1986-13 & ASTM E1996-17 is acceptable.

Sincerely,

JUL 09 2020
