RE: Equivalence of Testing Standards

This letter is issued to confirm test standard year equivalency for the referenced product. Various test standards have been evaluated for differences in the test methodology, if any, between tested editions of the test standards listed below and those editions referenced in the current Florida Building Code. **Air Master Awning, LLC.** has tested their products to the following test standard edition(s):

- ASTM E1886-05
- ASTM E1996-09

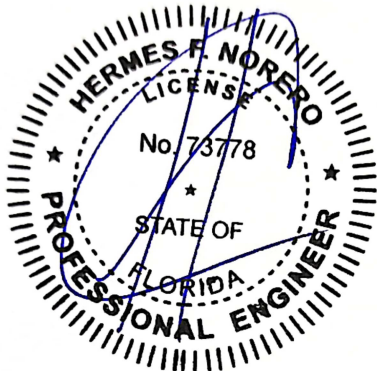

Chapter 35 of the current Florida Building Code references the following editions of the above mentioned test standards:

- ASTM E1886-13a
- ASTM E1996-17

After review of the above mentioned referenced standards and editions, it has been found that the results and tests carried out meet the requirements for compliance. All referenced standards have been found to be equivalent.
