*Florida Product Approval
Equivalency of Standards*

Ref: **8800 Fixed – E Missile Exterior w/ Interior Human Impact Rated Blind Sash**

The 2023 Florida Building Code, Eighth Edition – Chapter 35 lists the following versions of AAMA/WDMA/CSA 101/I.S.2/A440 as acceptable:
08, 11, or 17

These products were FGIA certified under AAMA/WDMA/CSA 101/I.S.2/A440-22 based on test report #:
QCT24-7371.02

Reference FGIA Certified Product Directory #:
22064

I certify that:
AAMA/WDMA/CSA 101/I.S.2/A440-22 (NAFS-22)

is equivalent to:
AAMA/WDMA/CSA 101/I.S.2/A440-17 (NAFS-17)

Rationale:
AAMA/WDMA/CSA 101/I.S.2/A440-22 (NAFS-22) has the same testing procedure with more stringent water test pressure requirements for AW grade products. It is therefore equivalent to AAMA/WDMA/CSA 101/I.S.2/A440-17 (NAFS-17). This is reflected in the Summary of Results section on page 2 of both reports by Quast Consulting & Testing which lists that the products were compliant with both versions of AAMA/WDMA/CSA 101/I.S.2/A440.

Sincerely,

Wayne K Helmila P.E. Vice President
